As a patient I want to be able to register my account with my personal details so that my doctor is able to see my health information

As a patient, I want to be able to sign into my account to be able to utilise the app, while my personal details are kept secure in my account

As a patient, I want to be able to modify details of my account (e.g. name, address) so that my doctor has access to the most up-to-date information about me

As a doctor I want to be able to register my account with my professional details so that patients can find me

As a doctor, I want to be able to sign into my account, so that I may utilise the app, while my details are secure

As a doctor, I want to be able to modify details of my account (e.g. practice address) so that patients have the most accurate professional information

As a patient I want to be able to view my doctor's availability so that I can easily book an appointment

As a patient I want to be able to view all my current bookings, so I can check my booking time when I need to

As a patient, I want to be able to chat with my doctor so that I can make non-urgent queries such as payment issues or small medical concerns

As a patient, I want to be able to add my symptoms so that my doctor can easily prescribe me with medicines when I do not have the time to see them in person

As a user, I want a notification close to my appointment time, so I don't forget to attend the appointment

As a patient I want to be able to get a reminder for taking my medicines so that I do not forget to take them later

As a patient, I want to be able to view my prescribed medicine, so that I do not lose the medicine details for future reference

As a doctor, I want to be able to text chat with my patients so that I can provide them with medical advice on days that I cannot physically see them

As a doctor I want to be able to add my availabilities, so that my patients can conveniently book their appointments with me

As a doctor, I want to be able to update my patient's medicines so that my patients are taking the doses for their updated situation

As a doctor I want to be able to view my patients health status so that I can prescribe my patients their medicines accordingly.

As a super admin, I want to be able to see a list of patient and doctor accounts so I can make changes to specific accounts

As a super admin, I want to change a patient/doctor account so that I can keep accounts up to date

As a super admin I want to be able to remove doctors that are no longer working so that patients can book their appointments with available doctors
